Education

Alva's Institute of Engineering and Technology

August 2022 – July 2026

Bachelor of Engineering in Computer Science and Engineering (CGPA of 8.98)

Karnataka, India

Projects

My Food Recipe — PHP, MySQL —

Developed a web-based or mobile application that allows users to explore, create, and share food recipes.

- **Recipe Database:** Integrated a searchable recipe database where users can browse by cuisine, ingredients, and dietary preferences.
- **User Contributions:** Enabled users to submit and publish their own recipes, complete with images, cooking instructions, and ingredient lists.
- **Personalized Experience:** Implemented a feature for users to create personal accounts, save favourite recipes, and generate shopping lists based on selected dishes.
- **Social Sharing:** Added options for users to share recipes on social media platforms and interact with other users through comments or reviews.

Achievements

- Participated in an international hackathon held in Mysore.
- Certified Salesforce Developer – Agentblazer Champion Program (SmartBridge & AICTE, 2025); built secure, automated solutions using Apex, LWC & Salesforce tools.
- **CodeChef** – Solved 700+ problems.
- **LeetCode** – Solved 250+ problems.

Technical Skills

Languages: Java, JavaScript, C, HTML, CSS

Database: MySQL

Extra-Curricular Activities

NSS (National Service Scheme): Actively participated in community service activities aimed at promoting social responsibility, leadership, and personal development.
